Skills

Frontend	React, TypeScript, JavaScript, Next.js, Nuxt.js, React Native, Jest, Cross-platform Development, Responsive Design
Languages	Spanish, English
Cloud & DevOps	Azure, AWS, Docker, GraphQL, Python, Linux, Kafka, MongoDB, GitHub Actions, CI/CD
Development Practices	Agile Development, Gaming UX Design, Multi-device Support, Performance Optimization, Architectural Design

Experience

Publicis Global Delivery (PGD) assigned to Digitas	Colombia (Remote)
FRONTEND DEVELOPER	Jan. 2025 - Present
- Building the complete redesign of Duluth Trading Company's e-commerce platform using Next.js and TypeScript, delivering responsive experiences across desktop, tablet, and mobile devices. - Implemented Publicis Collective's website redesign using Nuxt.js and Contentful, focusing on performance optimization. - Enhanced the Nuxt.js AI agent web app with bug fixes and new features, improving workflow efficiency for marketing teams.	
Publicis Global Delivery (PGD) assigned to Razorfish	Colombia (Remote - New York, USA)
REACT NATIVE DEVELOPER	Dec. 2023 - Dec. 2024
- Delivered cross-platform mobile experiences for the Wegmans e-commerce app using React Native and TypeScript, implementing scalable components with Zustand state management and Algolia search integration, achieving a 30% increase in user engagement. - Optimized application performance across devices (phone, tablet) with responsive design, supporting touch and keyboard navigation. - Implemented performance monitoring with Dynatrace and unit testing using Jest, improving system reliability and reducing bugs by 25%. - Architected and deployed automated CI/CD pipelines with GitHub Actions, reducing deployment cycles by 50% across Android and iOS.	
Grisú	Colombia (Remote)
FULL STACK DEVELOPER (SELF-EMPLOYED)	Jul. 2023 - Present
- Built gaming platform solutions for <i>GameConnect</i>, creating responsive UI/UX for multiple input methods across different screen sizes. - Built cross-platform applications using React Native and TypeScript. - Enhanced government web applications for <i>Curaçao SOAW</i> using Nest.js (TypeScript) and React, deployed on Azure.	
ArcDesign	Spain (Remote)
FULL STACK DEVELOPER (PART-TIME)	Jul. 2023 - March. 2025
- Designed an advanced geolocation algorithm with hashmaps and geohashes, resulting in a 70% improvement in scalability and accuracy. - Integrated the algorithm with React Native, enhancing mobile app performance, responsiveness, and UX. - Deployed static websites using React on AWS and Hostinger, ensuring reliable and scalable architecture for clients.	
Design Systems Inno	Colombia
PROBLEM SOLVER / FULL STACK DEVELOPER	Dec. 2022 - Jun. 2023
- Designed cloud-native API architectures using RabbitMQ and MongoDB for real-time, asynchronous data processing. - Optimized React and Angular application builds, achieving 70% reduction in bundle sizes and significantly faster load times across devices. - Built React (Redux + Saga) admin panels with TypeScript, managing complex state and real-time data visualization. - Improved Docker containerization strategies for both React and Angular applications, improving the CI/CD pipeline.	
Geta Club Play	Colombia (Remote)
CYBER SECURITY ANALYST	Sep. 2021 - Jun. 2022
- Established a robust DevSecOps pipeline using OWASP ZAP and SonarQube, reducing project vulnerabilities by 50% in 4 months. - Collaborated with cross-functional teams to develop a security plan based on ISO/27001 standards. - Performed reverse engineering to safeguard APKs, identifying and mitigating potential data leaks that reduced critical vulnerabilities by 40%.	

Extracurricular Activities

CivicaPay Hackathon 2022	Medellín
PARTICIPANT	Mar. 2022 - Mar. 2022
First place achieved among more than 52 teams and 16 universities in Medellín in the Hackathon CivicaPay of 2022 using Flutter and Python.	

Education

EAFIT University	Medellín, Colombia
B.S. IN COMPUTER SCIENCE AND ENGINEERING	Jan. 2018 - Dec. 2025
Full scholarship called "Ser Pilo Paga" for high school students from 2017 who obtained an outstanding grade in the national standardized test.
